Hi Ivy,  
Long time not talking. I hope you are fine.

Please remember the purchase order 565 from Integ Panama Corp, this order was for an electric chain hoist.  
Since this machine arrived, we did not open until last week because this machine was for a new duct workshop, so for that time we only were buying all the machines for this new workshop.

Last week we opened the machine and for our surprise the specifications for the motor was wrong.  
The specifications for the electric chain hoist, in the Purchase Order 565 was: 220V 60Hz, 3Phase ; but the specifications for the electric chain hoist that arrived to Panama was: 380V (wrong)  
Can you please send to me the correct motor to Panama?

Let me know please.
