Total: \$ 13,491.55

Notes

Entrega en fábrica (EXW) con flete estimado hasta su embarcador en Miami.

Tiempo de entrega estimado en fábrica: 5 a 6 semanas.

- Términos & Condiciones de Venta anexos / Terms & Conditions of Sales attached.

TERMINOS & CONDICIONES DE VENTA:

- Precios EXW expresados en dólares de los EEUU (US\$) y no incluyen fletes, manejo, seguros, servicios de campo, instalación, arranque o ingeniería, fees, impuestos locales o internacionales, accesorios, otros servicios o entregas en fechas específicas, a menos que este expresamente indicado por escrito en esta cotización.
- Los precios cotizados se corresponden a las cantidades indicadas arriba por escrito. Si estas cantidades cambian, entonces el precio final también puede cambiar.
- Los precios son válidos por 30 días y no incluyen ninguna otra obligación diferente al ítem descrito. Después de este periodo de 30 días, los precios pueden estar sujetos a cambios. El término estándar de pago de todas las órdenes de exportación es pre-pagado, es decir, la orden debe estar pagada antes de salir de los EEUU.
- Cualquier otro término de pago debe ser aprobado por escrito por el vendedor. Los pagos deben ser recibidos acorde con los términos establecidos para cada orden de compra o contrato que se celebre. Los gastos bancarios relacionados con cualquier pago corren por cuenta del cliente o comprador.
- Los tiempos de entrega indicados son los tiempos estimados proporcionados por los fabricantes. Las fechas de entrega son definidas últimamente por el fabricante, y están sujetas a cambios por imprevistos y/o causas de fuerza mayor. El vendedor no es responsable por retrasos en las entregas de los fabricantes, ni de los transportistas.
- El cliente autoriza la facturación y entrega de despachos parciales de la mercancía ordenada, proveniente de fuentes diversas o cuando esté disponible más temprano de lo esperado.
- El término estándar de despacho es Incoterm EXW (Fabrica o Almacén), por lo que el comprador acepta que cualquier orden se despacha desde la fábrica hasta el sitio de destino indicado por el comprador bajo su consentimiento y responsabilidad, y cualquier daño que sufra la mercancía durante la transportación, deberá ser reclamado al transportista. El vendedor hará lo que este a su alcance para ayudar al comprador a resolver cualquier problema de daño o pérdida ocurridos durante la transportación. El comprador deberá asegurarse de que los entes o personas a los que haya designado como responsables de recibir su mercancía, se aseguren de que la misma es recibida en buenas condiciones y sin daños. Cualquier daño que se observe en la recepción de la mercancía debe ser reportado de inmediato al vendedor, a fin de seguir los procedimientos a que hubiere lugar con la compañía transportista de forma expedita en el caso de cualquier reclamo por daños.
- Las ventas son finales. No están permitidas las devoluciones a menos que sean aprobadas por escrito por el fabricante. Cualquier devolución está sujeta a cargos del 30% por evaluación, transporte y re-almacenaje.
- No se pueden cancelar órdenes de compra colocadas en firme, a menos que ello sea aprobado por escrito por el fabricante. Se aplicarán las penalidades que impongan los fabricantes en la eventualidad de que una cancelación sea aprobada.
- El empaque estándar es del tipo doméstico suministrado por la fábrica. Cualquier otro empaque especial tiene un costo adicional.
- Ningún ítem debe ser re-vendido o re-exportado en violación de las leyes de los EEUU.
- La garantía que ofrece el fabricante constituye la única garantía que respalda a los ítems cotizados o comprados. No existe ninguna otra garantía, ni explícita, ni implícita. El vendedor no es responsable por defectos de fabricación de los equipos vendidos. En caso de un reclamo por garantía, el comprador deberá suministrar al vendedor toda la información necesaria y exigida por el fabricante a fin de procesar dicho reclamo. El fabricante será quien finalmente decida si un reclamo en particular aplica o no a los remedios que ofrece la garantía. El vendedor no es responsable por gastos de mano de obra, servicios, fletes, impuestos, accesorios, piezas y cualquier otro gasto que se derive del procesamiento de un reclamo de garantía. La entrega de piezas y partes relacionadas con un reclamo de garantía se hará en el lugar de entrega inicial de los equipos sujetos al reclamo.
- La propiedad de los bienes objeto de la venta permanecerá en poder del vendedor hasta que estos sean pagados por el comprador en su totalidad.
- Cualquier disputa se procesará primariamente a través del arbitraje, y acorde con las leyes de los EEUU. Cualquier proceso de arbitraje será realizado en Miami, Florida, EEUU, a menos que las partes acuerden lo contrario por escrito.

TERMS & CONDITIONS OF SALE:

- Prices are EXW and expressed in US\$. They do not include shipping, handling, insurances, commissioning, start-up, installation, fees, taxes, accessories, other services or deliveries in specific dates unless written in this quotation.
- Prices shown above are firm and will remain in effect for 30 days. After this period, prices are subject to changes.
- Prices quoted correspond to the quantities and descriptions shown above. If such quantities or description change, then the final prices may also change.
- Standard Payment Terms for all orders for exportation is prepaid. This means all orders must be paid before leaving USA. Any other payment term must be expressed in writing in this quotation and agreed by the seller.
- Payments should be received as agreed. All banking charges related to payments are customer's responsibility.
- Delivery times are estimated. Final delivery time will be provided solely by the manufacturer and they are subjected to delays caused by major unexpected events out of seller's control. The seller shall not be responsible for delays in delivery.
- The customer authorizes the invoicing and shipping of partial shipments when items come from different sources or they are available early than expected.
- Standard shipping term is Incoterm EXW Factory or EX-Warehouse. The customer agrees that items are shipped under his/her responsibility. Any damages occurred during transportation should be claim against the carrier. Vendor will do anything possible to help customer to solve any claims of this nature. Delivery site responsible must report any damage cause during transportation in writing in the carrier's delivery receipt in order to handle any claim. Failure to report any damage as required will void any claim for damages occurred during transportation.
- All sales are final. No Returns are allowed unless approved in written by the manufacturer. 30% fee will apply for transportation, evaluation and restocking.
- Purchase orders cannot be cancelled unless approved in writing by the manufacturer. Penalties may be imposed according to manufacturing policies on this matter.
- Standard packaging is the one provided for domestic transportation. Any special packaging has an additional cost.
- Items should not be resold or re-exported in violation of US law.
- The Factory Warranty constitutes all the Warranties with respect to the sale of the item or items. The seller assumes no responsibility for any liabilities for labor or defective material. For any warranty claim, the customer agrees to provide the vendor with all of the information required by the factory. The manufacturer will finally decide if a particular claim is valid or not. The seller is not responsible for any labor, services, freight, fees, taxes, accessories part or any other expense related to any warranty claim. Any part accepted to be replaced by factory will be delivered to the original site where equipment related to the claim was delivered.
- Title to goods delivered shall remain vested in the seller until paid in full.
- For any dispute, the customer agrees to settle it primarily in arbitration in accordance with USA laws, unless the parties agree otherwise in writing, such arbitration will be conducted in Miami, Florida, USA.

Total: \$ 17,018.00

Notes

Entrega en fábrica (EXW) con flete incluido hasta su embarcador en Miami.
Tiempo de entrega estimado en fábrica: 5 a 6 semanas.

- Términos & Condiciones de Venta anexos / Terms & Conditions of Sales attached.

TERMINOS & CONDICIONES DE VENTA:

- Precios EXW expresados en dólares de los EEUU (US\$) y no incluyen fletes, manejo, seguros, servicios de campo, instalación, arranque o ingeniería, fees, impuestos locales o internacionales, accesorios, otros servicios o entregas en fechas específicas, a menos que este expresamente indicado por escrito en esta cotización.
- Los precios cotizados se corresponden a las cantidades indicadas arriba por escrito. Si estas cantidades cambian, entonces el precio final también puede cambiar.
- Los precios son válidos por 30 días y no incluyen ninguna otra obligación diferente al ítem descrito. Después de este periodo de 30 días, los precios pueden estar sujetos a cambios. El término estándar de pago de todas las órdenes de exportación es pre-pagado, es decir, la orden debe estar pagada antes de salir de los EEUU.
- Cualquier otro término de pago debe ser aprobado por escrito por el vendedor. Los pagos deben ser recibidos acorde con los términos establecidos para cada orden de compra o contrato que se celebre. Los gastos bancarios relacionados con cualquier pago corren por cuenta del cliente o comprador.
- Los tiempos de entrega indicados son los tiempos estimados proporcionados por los fabricantes. Las fechas de entrega son definidas últimamente por el fabricante, y están sujetas a cambios por imprevistos y/o causas de fuerza mayor. El vendedor no es responsable por retrasos en las entregas de los fabricantes, ni de los transportistas.
- El cliente autoriza la facturación y entrega de despachos parciales de la mercancía ordenada, proveniente de fuentes diversas o cuando esté disponible más temprano de lo esperado.
- El término estándar de despacho es Incoterm EXW (Fabrica o Almacén), por lo que el comprador acepta que cualquier orden se despacha desde la fábrica hasta el sitio de destino indicado por el comprador bajo su consentimiento y responsabilidad, y cualquier daño que sufra la mercancía durante la transportación, deberá ser reclamado al transportista. El vendedor hará lo que este a su alcance para ayudar al comprador a resolver cualquier problema de daño o pérdida ocurridos durante la transportación. El comprador deberá asegurarse de que los entes o personas a los que haya designado como responsables de recibir su mercancía, se aseguren de que la misma es recibida en buenas condiciones y sin daños. Cualquier daño que se observe en la recepción de la mercancía debe ser reportado de inmediato al vendedor, a fin de seguir los procedimientos a que hubiere lugar con la compañía transportista de forma expedita en el caso de cualquier reclamo por daños.
- Las ventas son finales. No están permitidas las devoluciones a menos que sean aprobadas por escrito por el fabricante. Cualquier devolución está sujeta a cargos del 30% por evaluación, transporte y re-almacenaje.
- No se pueden cancelar órdenes de compra colocadas en firme, a menos que ello sea aprobado por escrito por el fabricante. Se aplicarán las penalidades que impongan los fabricantes en la eventualidad de que una cancelación sea aprobada.
- El empaque estándar es del tipo doméstico suministrado por la fábrica. Cualquier otro empaque especial tiene un costo adicional.
- Ningún ítem debe ser re-vendido o re-exportado en violación de las leyes de los EEUU.
- La garantía que ofrece el fabricante constituye la única garantía que respalda a los ítems cotizados o comprados. No existe ninguna otra garantía, ni explícita, ni implícita. El vendedor no es responsable por defectos de fabricación de los equipos vendidos. En caso de un reclamo por garantía, el comprador deberá suministrar al vendedor toda la información necesaria y exigida por el fabricante a fin de procesar dicho reclamo. El fabricante será quien finalmente decida si un reclamo en particular aplica o no a los remedios que ofrece la garantía. El vendedor no es responsable por gastos de mano de obra, servicios, fletes, impuestos, accesorios, piezas y cualquier otro gasto que se derive del procesamiento de un reclamo de garantía. La entrega de piezas y partes relacionadas con un reclamo de garantía se hará en el lugar de entrega inicial de los equipos sujetos al reclamo.
- La propiedad de los bienes objeto de la venta permanecerá en poder del vendedor hasta que estos sean pagados por el comprador en su totalidad.
- Cualquier disputa se procesará primariamente a través del arbitraje, y acorde con las leyes de los EEUU. Cualquier proceso de arbitraje será realizado en Miami, Florida, EEUU, a menos que las partes acuerden lo contrario por escrito.

TERMS & CONDITIONS OF SALE:

- Prices are EXW and expressed in US\$. They do not include shipping, handling, insurances, commissioning, start-up, installation, fees, taxes, accessories, other services or deliveries in specific dates unless written in this quotation.
- Prices shown above are firm and will remain in effect for 30 days. After this period, prices are subject to changes.
- Prices quoted correspond to the quantities and descriptions shown above. If such quantities or description change, then the final prices may also change.
- Standard Payment Terms for all orders for exportation is prepaid. This means all orders must be paid before leaving USA. Any other payment term must be expressed in writing in this quotation and agreed by the seller.
- Payments should be received as agreed. All banking charges related to payments are customer's responsibility.
- Delivery times are estimated. Final delivery time will be provided solely by the manufacturer and they are subjected to delays caused by major unexpected events out of seller's control. The seller shall not be responsible for delays in delivery.
- The customer authorizes the invoicing and shipping of partial shipments when items come from different sources or they are available early than expected.
- Standard shipping term is Incoterm EXW Factory or EX-Warehouse. The customer agrees that items are shipped under his/her responsibility. Any damages occurred during transportation should be claim against the carrier. Vendor will do anything possible to help customer to solve any claims of this nature. Delivery site responsible must report any damage cause during transportation in writing in the carrier's delivery receipt in order to handle any claim. Failure to report any damage as required will void any claim for damages occurred during transportation.
- All sales are final. No Returns are allowed unless approved in written by the manufacturer. 30% fee will apply for transportation, evaluation and restocking.
- Purchase orders cannot be cancelled unless approved in writing by the manufacturer. Penalties may be imposed according to manufacturing policies on this matter.
- Standard packaging is the one provided for domestic transportation. Any special packaging has an additional cost.
- Items should not be resold or re-exported in violation of US law.
- The Factory Warranty constitutes all the Warranties with respect to the sale of the item or items. The seller assumes no responsibility for any liabilities for labor or defective material. For any warranty claim, the customer agrees to provide the vendor with all of the information required by the factory. The manufacturer will finally decide if a particular claim is valid or not. The seller is not responsible for any labor, services, freight, fees, taxes, accessories part or any other expense related to any warranty claim. Any part accepted to be replaced by factory will be delivered to the original site where equipment related to the claim was delivered.
- Title to goods delivered shall remain vested in the seller until paid in full.
- For any dispute, the customer agrees to settle it primarily in arbitration in accordance with USA laws, unless the parties agree otherwise in writing, such arbitration will be conducted in Miami, Florida, USA.

VC-1 Damper Description

Frame: 5-1/2" x 7/8" x 16GA galvanized steel hat channel. Flat 16 GA head & sill on dampers under 14" high
 Blades: 16 GA galvanized steel, 8" nominal width
 Axle: 1/2" square plated steel stub
 Bearings: Stainless steel sleeve
 Stops: Galvanized steel angle at head and sill.
 Seals: Silicone on blade edges and SS jamb seals
 Linkage: Plated steel angle and crank plates with stainless steel pivots, in-jamb type
 Finish: Mill
 Actuator: Manual quad, except where noted as "with actuator."

Design Criteria

Max. Pressure: 4 in. w.g.
 Max. Velocity: 2000 F.P.M.
 Max. Temperature: 300 °F
