Hi Brittany,

Today I am going to arrange the payment.

Just need two things:

- 1) Please send to me the data sheet or submittals for the 2 kind of rolls that I will buy.
- 2) Please send me real photos

Waiting for your response,

Regards.

The amount of pallets that you will use for your order will be 12 pallets.

On Jun 14, 2016, at 4:04 PM, Brittany Mitchell <brittany.mitchell@thermalproductsco.com> wrote:

It varies depending on what material you decide to get. However, it is estimated between 22- 24 pallets can fit on a truck.

Good Afternoon,

Sorry about the delayed response. I called a few trucking companies and received a few quotes. The estimated shipping rate will be between \$2,300-\$2,600.

Please note that the actual rate may be a little higher or a little lower than what is estimated.

Please contact me if you need any further assistance or if you would like to place an order.

Thank you,

Hello,

Let me see what I can find out for you. What zip code would your order ship to?

Also, please note that the shipping cost that I provide you will be estimated. The actual total might be a little higher or a little bit lower than what is estimated.
